Explanation:

- **Complete Courseware & Exam Fee (\$300):** This fee includes the cost of the complete courseware as well as the examination fee. It covers all learning materials, access to online resources, and the examination itself.
- **Examination Fee Only (\$100):** For candidates who only wish to take the examination without purchasing the courseware, the fee is \$100.
- **Recertification Exam Fee (\$150):** This fee applies to candidates who are seeking recertification after the initial certification period has expired. It includes the cost of the examination required for recertification.
